MUD VOLLEYBALL WAS A SUCCESS

YPHC gathered again for the third year in a row for the famous Mud Volleyball Tournament. Six teams showed up with their game faces on ready to get down and dirty. YP's served hot dogs and water while the teams battled it out for the win. Winning Title went to "With out Permission" and the runner up went to "It's a family thing". Other teams that participated included, Energy Sports and Fitness, Kentucky Farm Bureau, The Wright Legacy group, formally known as Bump and Grime, and The Dirty Eight. As always we appreciate all the YPHC volunteers that helped out the day of event. Specially, the Elizabethtown Fire Department as they make our event possible by providing the water to make our mud. A huge thank you to Scott Necessary and Bradley Goodman for chairing the event this year. They did a wonderful job, hats off to you guys. A special thank you to John West for the lovely shower he built, it was a vast improvement from the water hoses we have had in the past.

We hope that everyone will return for the fun next year at the 2010 4th Annual Mud Volleyball Tournament.
