Owsley Family Chiropractic

Join YPHC this month for the May Lunch on May 20th at noon at this Historic State Theatre. Our speaker this month is our very own Michael Owsley who will be speaking to the group on current concerts surrounding chiropractic care. RSVP to Lindsey at Lindsey_Alicna@kyfbins.com by **Monday May 18th**.

Dr. Owsley is originally from Hardin County. A chiropractic patient since the age of eleven, he became aware of the many benefits of chiropractic from a young age. His chiropractor later encouraged his decision to pursue a career in chiropractic. Dr. Owsley is a graduate of Central Hardin High School. While in school he was active in several activities ranging from swimming to marching band, he attributes his ability to participate in these activities to his chiropractic care. He went on to obtain a Bachelor's Degree in Chemistry and Organizational Communication from Murray State University in southwest Kentucky. In college, he stayed active in the Murray community as a member of Sigma Chi Fraternity and as a volunteer for local youth organizations. Following his college graduation, Dr. Owsley pursued his chiropractic education at the Fountainhead of the chiropractic profession, Palmer College of Chiropractic in Davenport, Iowa. While in school, Dr. Owsley served directly for the office of the chancellor as a Campus Guide. This allowed him to communicate the benefits of chiropractic to visiting groups ranging from prospective students to Iowa state congressmen. He was also one of a select group of students chosen for a clinic abroad trip to India where he provided health care to the natives of a country with a billion people and only one chiropractor. Following his graduation from chiropractic school, Dr. Owsley worked for two years with another chiropractor to further his experience and training. In June of 2006, he opened his own office located at 585 Westport Road in Elizabethtown. He serves on the board of directors for the Heritage Council and is actively involved in the Young Professionals of Hardin County, the Elizabethtown Noon Rotary Club, and the Elizabethtown-Hardin County Chamber of Commerce. He is an alumni of the Leadership Elizabethtown class of 2006-2007. Dr. Owsley also makes time to teach Anatomy as a part-time faculty at Elizabethtown Community and Technical College.

YP's Park Cars for Grand Re-Opening!

YPHC provides Valet Parking for Historic State Theatre Grand Re-opening on Friday May 8th and Saturday May 9th. The group had a great time and raised around \$300! Way to go team!

Back Row: Scott Necessary, Bradley Goodman, Brian Smith Front Row: Heather Whelan, Kevin Blankenship, Tami Delaney, John Rizer.

YP's Hard At Work

The Executive Board voted to lower the sponsorship lunch fee from \$200 to \$150! If your business is interested in getting in front on YPHC, please contact Emily at ewest@waky1035.com

YP's needed for EHS project graduation

Elizabethtown High School is asking the Young Professionals of Hardin County to support the next project graduation. As a service project for the month of May and June we are asking for Gift Card donations (the amount of your choice) from your business to go into a "Gift Card Basket" that YPHC will donate to EHS Project Graduation. This basket will be auctioned off at the end of the night to one lucky student. Please bring them to the next meeting or give them to a member of the Executive Committee by May 28th. Graduation is June 2nd!

Remember that these students are potential members and clients of your business! Help Support EHS and YPHC!
